* The League would be grateful if teams in Division 1 could be flexible with requests from Charville to bring forward any 10am fixtures to 9:30am where ever possible.					
In these cases, should Charville be playing on court 1, the HOME umpire on court 2 will start the games on court 2 and 3					
Both teams to inform Maureen Batterbee of any AGREED bringing forward of games BEFORE they are played.					
<b>The Acton Weather Referee is Lindsay Morris (020 8898 5286)</b>					
In the event of <b>extreme</b> weather conditions (snow and ice), 1 person from each team may call to clarify if games are cancelled.
